Catering

We have 2 specially equipped and professional Kitchens to provide food for up to 500 guests.

External catering **MUST** provide their own front of house staff and are responsible for removing and disposing of all waste. They also must provide a 5* Food Hygiene certificate and public liability insurance.

We have also had guests hire food trucks for outside our premises, this is also an option for a more relaxed feel to your day which a £400 fee will be added for costs used for the generator needed.

We do also have an in-house chef who can cook for your sit down meal to your taste and traditions. Prices are dependent on amount of guests and desired food. Price to be agreed upon booking.
